The Nyberg family has been apart if the Fisher family for about 30 years. They are all so loving and really good people. Everyone called Kathy Mom..even me. There were no strangers to her. She was there for anyone. If you needed a hug ..you got it. If you needed a kick in the butt..you got that too..lol. But it was all done with love. And i dont remember ever seeing her without a big smile on her face. Ever. She was truly a beautiful woman. Inside and out. She will be missed. I love all you Nyberg peoples..so very much.
