Surviving are children, Lynette (Toby) Lambert of Decatur; Shelly (Larry) Auton of Decatur; and Jerry (Darcy) Conner of Decatur; a brother, Mike (Carol) Klein of Frisco, TX; two grandchildren, Fallon Conner and Matt (Jackie Osborn) Richardson, both of Decatur; two step-grandchildren, Kim (David) Cowan and Jr. (Julie) Auton, both of Decatur; two great-grandchildren, Zurri and Eli Richardson; six great step-grandchildren, Andrew, Nick, Zach, and Lauren Auton, all of Decatur; Jackson and Ryker Ford of Winchester, IL.

Lynn grew up in Pana and graduated high school from Sacred Heart all girls school in Springfield. After graduating, Lynn joined the United States Navy and was stationed at Great Lakes in Chicago. Lynn was a wave and so proud to have served her country. While serving in the Navy she met the love of her life and married Earl her fellow service man. Once they left the Navy they moved to Lake Arthur, LA., to begin their life together. Lynn loved being a part of the Conner family and two families became one. Lynn and Earl made their way back to Decatur after several years in Louisiana where they started their family. Lynn was a stay at home until the kids got older then she took the skills she learned in the Navy and became a secretary. being a mother. Lynn loved to travel and was always ready to pack her bags. Yearly trips to Louisiana was always top at the list. She loved to gamble and play bingo or just hang out with her family and friends of her children. Lynn always welcomed all into her home. Most enjoyable was watching her grandchildren and great-grandchildren at their sporting events or anything else they were involved in. Lynn was an avid St. Louis Cardinals, Chicago Bears, LSU Tigers, and University of Illinois fan.

Lynn knew no stranger and thought of all as her friend. Strangers were not going to be a stranger once they met Lynn, especially if they were a fellow veteran. She was always willing to lend a helping hand. She loved giving and making others smile. Lynn was diagnosed with Dementia/Alzheimer in 2014 and lost her battle but fought hard all the way until she took her last breath.

The family would like to extend a loving thank you to all the staff at Aspen Creek in Sullivan. Mom adopted an entire family once she moved to Aspen Creek and she was loved by all. The entire staff at Aspen Creek is loved and we are all so thankful for your excellent caregiving and love of our mom.

Remembering Lynn Klein Conner affectionately. We were together in 7th and 8th grades in Lincoln (East) School in 1948 and 1949. Lynn and I had great times riding our bikes home from school for lunch hours – Lynn getting off at her home on Fourth Street (next to Conoco Station), and I going four more blocks south on Poplar Street. I missed being with her in High School. I remember her as always having a smile and a warm personality.

Sending love to the entire Conner family during this difficult time. Lynn was a special person and I have wonderful memories working with her at Reliv in the late 80's and early 90's. I remember Lynn inviting me to a family wedding the summer of 89' or 90' and meeting her LA/Cajun family. Alzheimer's is a terrible disease, may Lynn now be in peace.
