Dear Barris Sr & entire Gavin family, I am saddened to read about Tony's passing, and I send to you my sympathy and my wishes that you find plenty of healing, grace, and comfort in your grief. I cannot imagine the pain of losing a child, Barris Sr, but you have brightened my path with your conversation, with your time, and so I know that Tony must have walked tall, too. Even if the sky itself seems emptier without him, I believe that he still walks with all who knew and loved him. I hope that walk will carry you all, dear ones. Rock steady.
