Dear Danny, I was so sad to hear about your wife. I spoke to her on the phone a few years ago when I was planning our HS class reunion. She was so very kind. I'm sorry I never had the pleasure of meeting her. You and I attended grade school through HS together and my Grandparents (the Lowe's) lived on Church St., just down the road from you. I was the shortest girl every year and got teased a lot. I always wondered how and what you'd been doing since HS. I was very glad that you met Kathy and now I am very sad that she was taken from your life way too soon. She is safe in God's arms now. I hope that you will find some solace in knowing that you will see her again. God bless you. Sincerely, Angela Lake (Angie Burns)
