Dear Bill and Family, Our thoughts, hearts and prayers go out to you all. Wow, what a shock this is, that my long time friend has passed away. It's hard to wrap my mind around it. Remembering when she first started grade school with me at Garfield and how scared she was to be in a new school after recently moving to Decatur. That was a long time ago, but the memories of her and her family always were with me. Over the years when we moved away, we lost track of each other, and the visit you paid to us a few years back meant so much. Maribelle was such a sweet, beautiful person inside and out. I tried to find you after that visit, but was told you had moved from there. We are so sorry that we won't be able to attend the funeral, due to our health, but be assured that our thoughts will be with the family and in all the days to come. Love to you all, Fred & Sheila Schilling.
