Jesus said " I go to prepare a room for you, if this were not so I would not tell you so". I know he and your mom, Fred and Ruth and all our family have made your room "Cubs" filled and with so many things you loved! It has to be just fantastic! So many years together in our childhood, so many memories. We were "family", we were cousins, we grew up together, sometimes in the same house. Too many memories to count too many smiles to forget!
