One of my favorite memories of my Aunt Ali was when she drove me places in her little stick shift chevette. I remember her singing at the top of her lungs the song 'Love will keep us together.' To this day, I always think of her when I hear that song. She had a great singing voice. Thoughts and prayers to family.

I am so sorry to hear about Ali . I met Ali when she began coming to Maranatha singles group, many years ago. She and I had a good chat in April of last year to catch up with each other. I knew she was having problems with her health. I didn't find out about her passing until the Pastor asked for prayer for the family, during this Sunday's prayer time. She will be missed. My thoughts and prayers are with you.
