Bob and I are very sad to learn about Doug's passing. We will always remember the youngster who loved to play with play dough and always had a twinkle in his eyes and a smile on his face. We will, also, remember all the love and support Douglas received from you, his loving and patient grandparents, who always went the extra mile to ensure he would have every opportunity to live a happy, secure life full of love. Many years have passed since we've seen Doug. It's hard to believe he was 25 years old. We would have come to the service but I had surgery on Monday. However, our thoughts and prayers were with Douglas and you, and his whole family. Please, feel free to email me if you wish. I would love to hear from you. My email address is iamkarenfc@yahoo.com. Hugs and Smiles Karen and Bob.

To the family of Doug, I knew of Doug in high school as I was a couple of years behind him. My memories of him were mainly just coming across him throughout Mt. Zion during the past couple of years. Regardless of how the weather was, or whether he was having a bad day, I always saw a smile on Doug's face. He knew that I was a die-hard Cardinal's fan, and what do two die hard fans usually do when you put them in the same room? They talk forever. I won't forget those interactions, and his memory will live on and I will be reminded of his kindness whenever I go about talking baseball with other die-hard fans like Doug. Sorry for your loss! Thoughts and Prayers are being sent your way! Matthew Krause of Mt. Zion, Illinois.
