I love you & miss you beyond words can describe. I always thought you'd be here forever with us, it kills me that you won't be anymore... I feel so numb inside. Its a pain i never thought i'd feel, my heart is missing a piece that i know no one could ever replace... You always had a way to make us all smile & laugh... You have taught me so much about life. I wish i could be like you, full of wisdom & strength. I love you grandma & I'll be waiting patiently for the day i see you again... Rest In Paradise...

My Dearest Grandmother Dolores, you will forever be missed & loved by us all. Memories of you will live on with each & everyone us. I have one too many favorite memories but the one I most cherish are the ones I spent staying up talking to you about life. I will remember your words of wisdom & your loving embrace. your smile could reach us even miles apart & your laughter could still be heard throughout all of our hearts. You love us all in your own special way... Grandmas are rare & special only one of a kind, thats why they are Grand... Love you Grandma. We miss you so much. You will always be a part of us. We know you looking down on us from heaven. You were the greatest and best of all. One memory that is sticking out is when you would make your black cat dance when we would come visit. It was way to funny. I am sure Brenda remembers. –

I love you and miss you so much mom. I have so many special memories of you, I am not sure which one to share. I loved the way you told a story. You were the best dancer I have ever seen. It's like you floated across the dance floor.
