It has been a very long time but I have nothing but fond memories of growing up in the old neighborhood together and listening to Tony Defranco and the Bay City Rollers 45's on our very cool and hip record players.

I keep wanting to call and talk with you but I can't anymore. You were my best friend. You were everyone's best friend who knew you. Your legacy is joy. AMA Club will be forever, now in two worlds. I remember with smiles the night Maureen, Jane, and I gathered at Jamie's house for some drinks. Jane finally called it a night, and Jamie went to sleep. Maureen and I opened the refrigerator and turned every single item upside-down. We left a note that said "Becca has struck!"

Patty and Becky, my heart breaks for you both. The three "Dunne girls" grew up with us like sisters and oh what fun we all had. Maureen always had a smile on her face and was such a great person. I may go yrs without seeing her or talking to her, but when I did run into her it was like just yesterday when we were all playing in the neighborhood. Love and big hugs to you all and you are both in my prayers. Shelly Auton (Conner)

VERY SAD! I had gotten to know Maureen over the last 25 years through my sister who played ball with her and bowled with her. She was always so kind and witty. She treated me like a good friend and I really appreciated that. When our mom was in Carle Hospital, Maureen was always checking in to see how she was. I will miss seeing her at cook outs and birthdays when I am able to get back to Decatur. She was part of a very large extended family in which she was loved deeply and will be missed.
