I will always cherish the good times Skip and I had together when he, his sister Michelle, Roberta and stepfather Mike lived next to Illinois Power. We would set up tents and camp in one another s back yards, play hot wheels, work on our bikes, fish at the Staley ditch and just be kids. Also remember going to the drive in with the family and having fun with roasting marsh mellows in the fireplace in the basement at the house near IP during sleepovers. But would Skip and I argue, boy oh boy, just like brothers. Our thoughts and prayers are with you at this difficult time. With Love, Gary and Shelley Edwards
