Sorry to hear this news and I think its important to remember that the name SAUCIER is directly connected to the original French founding of the East side area we know as the Tri Cities and Venice from Granite City all the way down to Cahokia. The name is well cited in Cahokia at the kiosk park there behind the old Catholic church and Jarrot Mansion near IL Rt 3 as is my own French family name, Tougas dit Laviolette. Our prayers are with the family. Saint Louis, MO US

Was saddened to learn of the passing of Mr. Saucier. As a child I have many fond memories of times spent at his home playing with Pam. There also was a time when, I believe, he worked for the Secretary of State and "assisted" me in an oral version of the written test! He was a wonderful man. My deepest sympathy. Granite City, IL US
