Jeffrey you are missed. I recall when you moved to MTZ 40 years ago. We rode the same school bus and became friends. We shared many adventures thru the years, although we drifted apart. I fondly recall our cold winter hitchhiking trip to MT in 1980. God Bless You Don Evans St. Louis, MO US

Jeff was at first a coworker that became a true friend in life . There are very few of these people that come into our lives and I was lucky enough to have a true friend in Jeff. He was the type of person that you could tell anything to and know that it was between just the two of you. He always had a can do attitude no matter how hard the job and always had a lesson for those of us not as skilled as he was and gave it without criticism. Jeff you will be missed more than you know and the people you have touched are endless ! Thank you for blessing me with your friendship. Your loving friend Billy Haseker Freeman Spur, IL
