It was an honor to know this family,and to care for Bill. Bill and I understood each other, had a mutual respect and enjoyed each others company. We had many laughs and many serious conversations. Bill had such a sensitive heart for his loved ones, his pets and friends. He talked often of his wonderful years with Larue, his adventures in the Army and his childhood, He loved to sing old songs to me and I loved it more! Bill wore many coats over the years, and I loved him so! I will miss him greatly. Decatur, IL US
