I always called him my "little cousin Keith", and it was only because he and his siblings considered me to be their "big cousin". He was my little cousin with a big, big, heart. There were a few things in life that I rarely saw him without, those were #1, a big smile on his face, and #2, one or more of his nieces and nephews. He loved them and would do anything for them. He always found the time to check up on us by phone or in person. He was a lovable person who cared deeply for others. Rest on little cousin, rest on. We loved you, but God loved you more. Keith was one in a million, not your ave. Joe. He was talented in many ways, was very articulate , knowledgable about many subjects . He loved to have fun and be free. He loved his family-cousins-nieces- nephews-and especially his 3 sisters even though they had there differences from time to time. He also loved very much his mother and his aunties-Joyce-Joann. He loved to fish and enjoy the outdoors and travel across the country. He was a big talker and sometimes you couldn't get him to shut up. We use to call him Rev. Anyway I hope he's in Gods hands now.
