I am sorry to have missed Phyllis's service. I'd been going back and forth to St. John's hospital to be with my Mom and did not see the obituary until after the funeral. I will miss Phyllis!! I have so many fond memories of her! She brought a cake tropical cake over for us on the day we moved into our house – she was an awesome neighbor from the start. I'll always picture her all dolled up in her pant suits doing her yard work and I can still hear Chad talking to her in the mornings from his bedroom window. She made matching outfits for Megan and Jodi. My last memory of her was her dancing at Jodi's wedding. She had a blast! What energy she had! My memories of her go on and on! She was an awesome lady and we all loved her! We will miss her. She is forever in our hearts. Decatur, IL US
