Dear Ruth, Murrel, Greg, Dana and Doug,I cannot find the words to express how deeply saddened I feel. Jeff was so kind and loving and taken from us too soon. One of my favorite memories is when he was a little boy we would love to play a game we called Miss Magillicutty. He would sneak up behind me and pretend to mess up my house and I would turn around and chase him all around the yard. He had the most precious smile. He was so witty and had the best sense of humor. Always making you laugh to the point of peeing your pants. He loved all of you so very much.My arms are wrapped around him in spirit and he will live in my heart forever.Love you all,Debbie Fairfield, CT US
