"To The Bryant Family, I am quite shocked and saddened to hear about Tony's death. I received an email from a close friend in Ludlow who saw his Obituary in the Rantoul Press. Even though Tony and I had no contact during these last 18 years, I still thought about him and wondered how he was doing. We parted as friends and I will always remember Tony as he was; his soul will remain forever alive in the hearts of those who cared about him. Tony was larger than life and thoroughly enjoyed living it. He was a great help to the rest of us when we went to Havre de Grace MD back in '06. I consider myself lucky to have known him. My prayers are with you Linda. Rantoul, IL US

I had the honor and privilege of knowing Tony and Linda thru Carle Cancer Center. I didn't think I could have the strength to work with terminally ill patients. But Tony proved me wrong. He gave me the courage, and the desire to help the sick. My heart dropped when I got the news I have to admit, but I know Tony isn't suffering anymore. I will always remember Tony as a special person. God be with you and your family during this time of loss. On behalf of Carle Cancer Center and myself, Tony will be missed. Rantoul, IL US
