So sorry to hear about Bernice. I know that my folks were friends way back when I was little. I remember several visits to the house. I also have several neat old slides of the market that my father, James "Fred" McLaughlin took actually before I was born and I have them in his old collection. I scanned one and added it to Mom's digital photo frame recently. If you would like to have the slides, contact me and I'll look them up and get them to you. Pam McLaughlin Martin Decatur, IL US

Linda, Virgil & family, My deepest sympathy to you & your family, I know Bernice will be deeply missed. Stopping at her house on my mail route was one of the brightest deliveries of my day! I will remember Bernice as a spunky, energetic gal with a real ZEST for life! I am lucky to have known her, if only in a small way. Forgive my absence at visitation as I am currently in St Louis at my daughters. God Bless you & Your Family. Donna Decatur, IL US
