Bob & Family, we just want to say how sorry we were when we picked up the paper today and read about Lupe. She and I go way back...we were in TOPS together and I fell in love with her then and appreciated her so much as a friend....always had a smile and loved to visit. Jerry, of course, knew her from Kraft and he too enjoyed talking with her. So sorry that we will be getting ready to leave town Saturday and not able to come by to give you all a hug...but remember we will be there in thoughts and prayers. I never knew she loved butterflies but it fits her...I knew she loved the Lord and that is what counts. Looking forward to someday seeing her again in Heaven. Mattoon, IL US

Bob and Family, Just sitting here remembering all the fun times we have shared, with Lupe at work, and how I got so close to both of you when you first came to RCIA down in church basement. We had lots of fun times and prayer times. A great lady will be sorely missed. Jamie, especially has fond memories of Lupe's thoughtfulness when she got sick. Lupe wrote a lovely poem for her. Please know we are praying for you and your family, Bob. In the love and peace of Jesus, Marty Misenheimer mattoon, IL US
