Dear Sharron and family, We are sorry to hear of Bob's passing. What an awesome man and friend he was. We sat at the breakfast table this morning and talked about him and the one thing we both said we will never forget is his laugh. He was never in our presence that we didn't get to hear his laugh. You both have been like parents to Keith. He talks of you with much love. Please know that we share your lose. Sincerely Smitty and Joyce , IL US
