Dear Floyd, I still find it hard to believe my friend, my brother, my cousin Terrell is gone! Me and Terrell have known each other for a while and it hurts me alot to know that I never got to say goodbye, I love you, and I'm going to miss you. I know that I'm signing late but it's hard to try and live life day by day knowing that he is gone. I'm truely sorry that it had to happen like this! Just know that Terrell is with you every day in your heart and in spirit. Terrell loves you alot and I know he wanted you to know that. I want you to know that you are like a dad to me and I thank you and keep you in my prayers! Floyd thank you for helping my mom over the years, and i just wish I could help you in some kind of way. I wrote a poem for Terrell to try and help me express what I was felling about this whole situation and I want to share it with you... _____~I Don't Understand~Why did GOD have to take you, you were just living life...You never got the chance to have kids and a wife...And if you noticed I never looked in your eyes...Because I just couldn't stand to see your heart cry...Some days I could tell when you were in pain...Because you just didn't act or look the same...You never acted like anything was wrong...But we all knew, all along...I prayed for you every night, until one night I forgot...And now I believe it's partially my fault...But I close my eyes and try and block that thought...You always lived your life as a king...Every one knows how much joy you bring...For the past couple of days I've been questiong GOD and I know that's something I don't need to do...But I have to know why did he take you...Terrell you are my brother and Floyd you are like my dad...Now I don't know weather to be mad or sad...I may not understand why GOD wanted you to go...But Terrell and Floyd I love you and just wanted you to know!!_____I really hoped you liked it! Always remember that I love you and appreciate every thing you've done for me in the past, present, and future. Everyday that I wake up I know that there's a reason to live life. I know that Terrell all wants us to do just that. Floyd keep your head up no matter what and always remember that you still have Terrell in your heart. I have never lost anyone this close to me and it really hurts, but I know that Terrell wouldn't want me to just stop living life so now I live life knowing that he is my gaurdian angel! Terrell has always had my back no matter what and I know he will continue to be there for me. Floyd you are in my deepest prayers and I want to say sorry for not being able to come to the funeral, but I hope that you can understand that I'm sorry. I will continue to keep you in my prayers and love you no matter what. Terrell is in a better place and now he can finally be pian free. GOD only does things for a specific purpose and I know that this was a task HE had to complete. We all get chances to change one's life but GOD wants to change yours because HE loves you and wants to take the pain away from your hurting son. I know can't argue with his decision, but I can't stand to see some one with such big heart like Terrell's go. Terrell is with our LORD GOD and is not in pain nor hurt. Floyd I love you and Terrell and you are always in my prayers!! {R.I.P.} Terrell Dequan Colbert Love Always,~BRI~ Indianapolis, IN US
