Courtney & Sarah, While I never had the pleasure of meeting either of you, I heard many wonderful things about you from your mother. What a fabulous person she is. I met her while she was at ICS. She always had a smile on her face and was always in great spirits. I know there aren't many words to ease your pain but I wanted you to know that Carol will forever be in my heart and I know she is the perfect, beautiful angel. God bless you. St. Louis, MO US

Mrs. Fitzpatrick, Courtney, Sara, Susie and family-even tho there is nothing that can be said to ease the sadness in your hearts, i want you to know that me, and anyone who ever knew Carol share your sorrow. The love Carol had for each of you was always obvious in our conversations. I really appreciate the call from Susie. While the cell phone call was broken and hard to understand, it seemed fitting as to what it did to our hearts. With my love and deepest sympathy to each of you. Darrell Stewardson, IL US
