Margaret & Family, I was so saddened when I open the paper this morning. I worked w/ Ivan at Staley's and I'm sure you will remember me. I was the one that had the petsitting service after leaving Staley's. I just loved Ivan — he was 1 wonderful person, always so sweet & kind. I noticed he was born on my oldest daughter birthday and died on my middle daughter birthday. My thoughts & prayers are with you and your family thru this difficult time.
