H. Richard Hagen posted:

I met Judy once at the family reunion I organized a couple of summers ago. I felt the love from her the moment we met. She reached out and made me feel like one of the family. After the reunion, I remarked to my wife, Christianna, that I thought Judy was an amazing family member, and I was disappointed that we didn't have more time to spend visiting with her. My first and only visit with her will live in my memory forever. Tonight, my immediate family will say a prayer for yours. God Bless. New Lenox, IL US
