Dear Mrs. Teeney, We were so sorry to hear of Mr. Johnny's passing. He was a very nice man and will be missed by many. I had just asked Doug if he had heard from him lately the week before we had heard that he had passed away. We truly enjoyed the time you were able to visit us here in Mississippi. You will often be on our minds, but always in our hearts. Our prayers are with you.

I lived on the corner of 16 and Lawrence. Mariella and Johnny lived on the other corner. As children we played together. Johnny and Mariella's parents had a little store and Mariella and Johnny stayed with us at our house many many afternoons after school. I have a picture of Mariella, Sallie Oak, Edith Johnson, Carolyn Grubbbs starting our 1st day of school together. My maiden name was Freeman and my father was a policeman. On "bad" days he used to take all of us to school. I know that Johnny will be missed by all of you. The family was a joy in my life in grade school. Kansas City, MO US
