Dear Hal and Rosie, What else can I say that I haven't already said to you? I was truly Blessed to see Sherri when she was in town last time and again last month. You all have been through so much. More than any parents should go through. Sherri is at peace now, she is not in pain, she is not suffering, she can finally rest. I am honored to say that I have known her since we were small, tiny little brats, spitting watermelon seeds at one another in the back yards. We spent the nights together, we played until we dropped and whispered and laughed even after you said, "Lights out." Even though we spent most of our adult years in different States, we never forgot what we had shared. She was so loving. After each visit, we always made sure we said, "I love you" to one another and ended with a big hug. I will never forget her and I will never forget you two. You are both so special to me, at times, you were my second parents. My prayers and thoughts are with you now and I am ALWAYS here for you. I love you both. And Sherri, I love you to my friend, you left us too soon. Be sure and look in on me from time to time, we all need a Guardian Angel! Your ex-neighbor, Angie "The Two-Toe." Decatur, IL US

Rosie & Hal, I know how sad and shocked you must be at this time.....I truly hope that those sad memories will fade away and be replaced with all the beautiful happy ones of Sherri. Remember what a beautiful little girl she was? She always reminded me so much of Scout in the movie, TO KILL A MOCKINGBIRD. She had the same spunk too. And, could she be sweet and charming! She never lost that sweetness. Know that my prayers and thoughts are with you, even though I am so far away. You two are truly two fine examples of the human race and you always set good examples for all of us neighbors. God Bless You, Love Robyn McAllen, TX US
