Handy and Alice were two of my favorite people at Westminster Presbyterian Church. Alice loved it when I went crazy over her secret recipes from church dinners. Fortunately, she gave me a few of them ... and I think of her every time I make one. Handy reminded me so much of my own grandfather. He was a very faithful member of the church ... always happy to do anything he could to help out. Countless projects around Westminster exhibit the loving touch of his hands. I was very, very fond of him. My condolences to family and friends on the loss of both of Handy and Alice Pease. They were wonderful people. Chicago, IL US
