I thought I signed this yesterday but it doesn't appear – so here goes again. I worked for Mr. Jorgensen for 18 years, probably the longest for any secretary. Although he was demanding, he was a pretty good guy to work for. He always had interesting stories to tell. May he rest in peace. decatur, IL US

I enjoyed visiting with Jorgie on the phone and in person while settling past ventures that he and my Dad had made. Hearing stories of business dealings, hunting trips, and all the people he knew was delightful. Jorgie meant a lot to my family and I was blessed to get a glimpse of how special he was.
