I'll never forget her laugh and her sense of humor. There wasn't a time I saw her when she wasn't cutting up about something. She showed a great love for her family. She was always thinking of others. It touched me when she would send a special card now and then to my Grandma Weber. Aunt Bonnie was blessed with the talent of creating beautiful poetry. We will miss her dearly. Our heartfelt sympathy goes out to the rest of the family. Mt. Zion, IL US

The Trout family will so very much miss dear Bonnie who, in her youth, brought such pleasure to her Aunt Valeria and Uncle Mart. Her many visits, letters, and phone calls to them over the years were a real source of joy and comfort. We all admired her spirit and loved her very much.
