I remember the many times Aunt Eileen would come to see my grandparents, Homer & Dorothy Allen. She was ALWAYS smiling and had loving hugs for all. I remember how caring she was when we lost other family members. She was always available for a hug, a smile, or a shoulder on which to cry. I'm only sorry that we lost touch after I moved to Minnesota. She will be missed by all who knew and loved her. I know that she is in God's tender care and back with all those she loved who went before. God's blessing to all the family in this great time of sorrow. May you find peace in the knowledge that she lived a happy life and was blessed with such a loving family. Merrifield, MN US

Eileen was a very Special Lady. We loved her very much. She lived in our apartment house for 10 years and was like family to us. She loved having us stop by and talk to her. We always took her a Thanksgiving Dinner from our church. I had planned to do that this year, The dinner was last night. We saw her at 2:00 P.M. on the day she moved back into the apartment after being at the hospital. She was so happy to be back in her little home. She said it smelled so nice and clean and she was smiling and so happy. We told her how happy we were to have her back, but I said, "I'll bet you enjoyed the few days with your Grandson, Rick and his wife. She said "There's no two better people than those two. And just gave me that big smile which she always had. She will be sadly missed !!!!! Mt. Zion, Il. 62549 US
