Dear Kris and family, Please accept my condolences that I could not attend your grandmother or grandads visitations.I always thought they were great people. I still think of your dad most every day. I have a sad smile for what might have been but maybe all worked out for the best. I hope you are doing well and would enjoy hearing from you once you are resettled again. I also think of you often as my brother in law is a NHRA/IHRA Crew Chief consultant, and every time I see a big Ford van.Take care,Robin HenningsTollymomsboys1957@yahoo.com Moweaqua, IL US
