Mike & Peg Kovach posted:

I didn't know Jack real well, we had only talked a few times over the years, mostly about wood working and fishing. But every time I turned the corner onto Beacon I looked to see if Jack had his garage door open, which meant he was sitting there in his chair with a smile and a friendly wave. We want to extend our most sencere sympathy to the family as we know you will miss him, as we will miss the smile and wave. Decatur, IL US
