Although I hadn't seen Aunt Edna in quite a few years she will always be an aunt that I remember fondly. From the time that I was a little girl and would spend time with her and Uncle Jake on the breezeway of the house on Nickey to one of the last visits that I had with her when she shared a lot of family stories and mementos with Pam and I she always kept us entertained. Wow 102 years old, the history that she enjoyed telling us about! Thanks for the great memories Aunt Edna!

I remember all the Christmas's we shared. Not a year went by that we didn't get a doll. She was a very sweet lady. She was disappointed when I kept my baby, because that meant she was not able to have her. Loved her so much.

I love Aunt Edna, she was so sweet. The last time I saw her she told me the story of how she got her shotgun confiscated after hearing an intruder. My life is richer because Aunt Edna was a part of it.
