Pat was a great person. Always happy and fun to be around. One memory that I'll never forget is when he talked me into being in the dunk machine when they held a benefit for Judy at the DAV. It ended up being a lot of fun. Sad to lose another cousin. Annette

We poured and finished a lot of concrete together. Spent a lot of time watching it dry too. I will always hold you in such high regard. So fortunate to have known you. Thank you for being my buddy. I will miss you greatly and every pour from now on gets a penny for Pat. Godspeed my friend.
