We have lots of memories of Mrs. Ethellene. We've known her for a very long time. Our most recent memories was on February 15, 2020 at her 80th Birthday Party. We, the McCain/Stancil families were honored to be guest at her birthday party. We had a fabulous time. Everything was so nice and lovely. Her children and grandchild really made her 80th Birthday something special. I am so glad that you guys celebrated the legacy of your mother and you shared it with family and friends. My sister, Chubby, ask your mom how old she was turning and she told her 16. It was just a great celebration! It was a nice occasion! We celebrated her life on that evening. She had the prettiest dress and the most beautiful smile on her face. Cherish all of your memories of your mom. I know we will forever cherish her memories. We are so sorry that we will not be able to be with you guys as you celebrate the homegoing of your mother. Love Always, The McCain & Stancil Families
