Adelia M. Workman

JAN 1, 1954 - AUG 10, 2020

Adelia M. Workman, 66, of Decatur, IL passed away on August 10, 2020 at HSHS St. John's Hospital in Springfield, IL.

Adelia was born January 1, 1954, in the Philippines, the daughter of Florencio and Paz dela Cruz Maca. Adelia is survived by her 2 daughters: Samantha (Jason) Cummings of Decatur, and Melissa Workman; her 2 beloved grandchildren: Averi and Nolan Cummings; and 1 brother Manuel Maca of the Philippines. Adelia was preceded in death by her parents, and 5 brothers: Virgilio, Saturnino, Alfredo, Alberto, and Conrado.

Adelia's greatest joy were her grandkids. She loved cooking and enjoyed feeding her friends and family. For her relaxation time, she loved to play the slot machines. She was a very fortunate recipient of two kidney transplants in 1990 and 2007. She always had a smile, never complained, and always grateful. We will miss her stories and her laughter. We were blessed to have her in our lives.

Adelia's Memorial Service to celebrate her life will be held on Saturday, August 22, 2020 at 11:30 AM at Moran & Goebel Funeral Home and Cremation Services, 2801 N. Monroe St, Decatur, IL with Fr. Michael Trummer officiating. Visitation will be held from 10:30 – 11:30 at Moran & Goebel Funeral Home. Memorials may be made to Gift of Hope. CDC guidelines will be followed, and those in attendance will be required to wear face masks. To view the live stream of the service, please copy and paste the following link into your web browser:

so sorry for your loss. As I look back of all the memorials I was glad I got to know her. I remember my first chemo treatment, she came and sat with me the whole time. We caught up on the family and what was happening in her life. I was very glad I got to call her my sister in law for many years. And the friendship continued through out our lives .Ludi, you will be sadly missed. Deborah Lowe-Robison

My family and I had the great pleasure of meeting Adelia through Samantha & Jay years ago. Adelia always made my children and wife feel loved when we were fortunate enough to be around her. Every time we stopped in Wal-Mart, if we saw Adelia working, we would make it a point to go say hi. No matter how busy Adelia was on the job, she always stopped what she was doing for conversation to find out how the family was doing. I will miss looking for her at the Wal-Mart check out lanes every time I leave the store. A truly amazing person that impacted my life in all the ways people should.
