Thinking of you Pat, best pals since the first grade, gave you your cat whiskers, you always walked me home from the ice rink to protect me, drinking buddies later, school bus driver school together, fixing my cars, hanging with me and Jerry, buying his house for your family, running sound, hours on line up to your last minutes. Love Jules

I attended MacArthur High School with Pat in the 1970's. We became good friends over the years. Underneath that tough guy veneer was a genuinely caring man that loved his kids and grand kids. He genuinely loved people. He also enjoyed jam sessions and was a terrific sound man to the end! A few years back I stopped by with donuts and coffee and we had a great visit talking about the good old days. I have continued to keep up with him on Facebook since then and we kept tabs on each other. After a long struggle Christ has come and taken him home; now he can rest! My deepest condolences to everyone. You are all in my thoughts and prayers during this difficult time! Peace and Love, Scot Reynolds MacArthur High School Classmate Class of 1976
