I will always remember Pam for her loving care of her family. God must have needed another Angel in heaven. I'm deeply grateful for her love for Rick. He and I met in High School. I was the new kid. He was and still is my best friend. Rick... May God always lighten your load and keep his hand on your shoulder. I love ya buddy.

I am deeply sorry to learn that Pam has passed on to our Lord and Savior. I send my Sympathy and Condolences to her husband and children. Pam was a beautiful person and always with a smile, when I would see her at our family reunions at Nelson Park. She loved being around family and always had a funny story to tell me when we would see one another again. Pam you are going to be missed and loved. It gives me comfort to know you are at Peace and with a lot of our Family members in Heaven. With many fond memories,
