My heart goes out to the Hiser family. I enjoyed his likes and loves and words on Facebook. Although I never personally met him. I felt like I knew him from the many stories Shane shared and through his Facebook posts and comments . He will truly be missed.

Our deepest condolences to the Hiser family. We met G'Pa one time, immediately we were family. He showed us all around the firehouse. How special it was for us. I only wish I could have met him sooner. I could have listened to any story he would share. He looks like he had quite the life. I am, we are so great full to have met him. Love to you all in this difficult time.RIP G'Pa.Mimi and Linda Ventura, California.
