My love, my best friend, my heart. Deep down in my soul I know that you're in a better place but it still hurt like hell knowing back to net present for me to talk to a hug or just look at you. But I also know I can still do all those things just holding on to the good Precious Memories that I have of us as a family. I love you Mama I miss you and I always , always will

My Deepest Sympathy. Ms Polly, was a Mother to me as well. We have shared so enough laughter together, to last a lifetime. I'm grateful for the memories. RIP Ms Polly. You are remembered with Love.
