Lori Smith lit a candle in honor of Florence.

Years ago my girls and I sat with Florence at St. James church services. They were always so excited to see her and she was just as excited to see them! They were two and five years old when we met her. She had such a sweet disposition and became our "church friend" we sat with. I wish the family comfort and peace, what a wonderful lady you had in your lives!

Fannie was a dear family member. We always called her Aunt Fannie, even though she was our second cousin. She was always so kind and welcoming to me. I would pick her up and take her to our family get togethers in Blue Mound, until Covid hit in 2019, every one loved visiting with her. We love her and will miss her very much.
