I was saddened to see of Phyllis passing. We worked together at the Telephone Answering Service for years and wow did we have lots of laughs. There was never a dull moment with her. When Tim passed she never got over that, as he along with Dave and family were the loves of her life. I ran into her a few years back and it was like we'd never missed a beat. Rest In Peace and I know you and Tim are having the time of your lives.
