Lucille was one of my mom's favorite people and it was at her house I learned how to make scrambled eggs I still make them. In hindsight you never visit your family enough, but no matter what you are and always will be a part of my favorite memories.

Granddaughter posted:

I thought of you with love today, but that is nothing new. I thought about you yesterday, and days before that too. I think of you in silence, I often speak your name. All I have are memories, and your picture in a frame. Your memory is my keepsake, with which I'll never part. God has you in his keeping, I have you in my heart. I miss you momma. Love you forever, Angie.
