Allen & Donna Walker posted:

She was a sweetheart of a lady she loved spending time with Allen and me (Donna) at her Grandsons home with Chad and Nonie Gordy and her Grandson and Granddaughter Sean and Megan and her Great Grandkids Brooklyn, Hudson and Wyatt Keller and Megan's husband Nick. For people that don't know this , Chad and Nonie took care of Floyd and Doris for a very long time fixing them meals and giving them there pills and making sure they were fine . They did this for a very long time to make sure they had time in there home together. God bless There Grandkids for giving them there last days together, we love Doris and will miss her RIP dear lady.
