Kila as she was known to us was a sweet person that absolutely LOVED her family and friends. Her and her sister, you would've thought they were twins because they were inseparable. The joy of her mother's life, she definitely was. That big beautiful infectious smile she always wore. Never speaking many words to those she didn't know. Take your rest now little cousin, you will be missed but never forgotten!!! R I L

Jaquilla I remember when you were born. You gave me my first experience babysitting an infant. I said then I don't want kids cause you would cry forever, but once I learned what you needed and why you were crying we became best buddies. I am going to miss that infectious smile that you had. No more pain for you my sweet girl. Love Shanty and Family
