Mary Ann was a wonderful, caring person. I played tennis with her for several years and she loved to make us "young ones" look foolish on the court. She will be missed. RIP my friend.

Mary Ellen, I am so sorry for your loss. My twin, JoAnn and I treasured your friendship so much as we grew up on the farm together. JoAnn is still with us after many years of poor health. Rita, how did your mom ever put up with you and I as waitressing together? Those were the days. My heart goes out to the whole family. Joan (Stamm) Erwin

In our many cousin gatherings, we could always count on Mary Ann to get the laughter started with her witty put-downs and jabs often speedily returned in kind. She was kind and always interested in what was going on in our lives, living with example how to be present fully. We will miss your peaceful presence and offer condolences to the whole family. With fond memories, Donna & Ed Land

All I can say is, Mary Ann, you will be greatly missed here on earth. I can only imagine how it feels to be with the Lord now and singing praises all day long. My heart is happy that you are completely healed and not suffering any longer. You left me with so many wonderful SDHS "lunch bunch" memories with our cookouts & holiday theme parties that were full of laughter. Not to mention the bridal shower for Charlotta when you brought your own bridal veil to top off the bridal dress we made for her in toilet paper. I laugh just thinking about it! Until we meet again sweet friend, rest in peace!
