Bobby and i were friends in our teenage years, sadly I lost contact when I moved from Decatur. I didn't know he was sick. My thoughts and prayers are with all of the family and friends.

Bobby was a teenager when I met him, I had a huge crush on him the moment I met him! A nice man he grew to be. May he rest in peace. I didn't know he was sick.

Knowing Bobby had been ill, but just learned of his passing, we were heartbroken. He was such a compassionate person and had love for all who knew him. While not seeing him regularly, when we saw him it was like seeing him yesterday. We will miss his smile, his joy for others and his conversations. To Vicky, Connie and the entire family know that we are praying for you all. May your memories of Bobby console your entire family in the days, months and years to come. We will all miss him! I worked with RJ for only 3 years. He was a selfless man, trying to bring joy to others while never wanting anything in return. He would let you know he had cough drops for coughs, Mylanta for a stomach ache, and even Snicker bars to help cheer you up. He told funny stories and his one man dance routines always brought smiles. He will be greatly missed.

My condolences to RJ's family. I only knew him a few short years at ADM. He was the first person to really talk to me when I started there and bought me an apple pie the day I got hired. People like him are rare and unique. He will be greatly missed
