On behalf of Keena and myself we want to offer our deepest condolences. We have known Debbie for the past 4 years after moving into a cabin next to hers on beautiful Big Arbor Vitae. She was our summer mom and we always looked forward to seeing her each year. She will be missed by all but her spirit will always be with us at the lake.JP DeLay

Debbie's sudden passing has left us all stunned and with such a void. Our hearts go out to all the family members and dear friends of Deb, as there are so many of us. Deb held the office of secretary on our lake association board of directors (Big Arbor Vitae Lake/BAVLA) for the past four years and has been a tremendous asset to our organization. She took on the task of creating an impressive database collection of files for our membership. Her interests, causes, and talents were many and we were so fortunate to be on the receiving end of her time. She was a true friend and we miss her. Steve and I floated alongside six loons while cruising the lake last evening, whom we believe joined us in a Celebration of Life for Debbie. May you rest in peace as you navigate the waters of the hereafter, knowing you are watching over us from above. Steve and Pam Scheible

My heart breaks for Debbie's family. The world has changed but heaven now has one of our best. When Tim and Debbie started spending more time in Arbor Vitae we became best friends. Not only were we next door neighbors but we took advantage of the many conversations, the lunches, going to the pool, the road trips we took to shop both in Rhinelander and Wausau where we would have lunch of course and fill our car to capacity. The best part was the laughter when we would get in to a silly mood. When we sold our property and moved full time to Florida I missed her. And decided Bill and I should go back to Wisconsin for a couple of weeks. So glad we did. Spending all that time with Debbie was a gift. I'm going to miss you my friend ❤️
