I met Marsha in the 7th grade at Johns Hill . See always had me laughing. She was such a fun person to be around. Through the years when I would randomly run into her I would be greeted by her smile and we would talk for a little while and go about our way until the next time. It is a little unsettling knowing that we won't have our next time. I extend my condolences to the family and wish you peace.

Marsha was a good friend of mine I remember running into her at an event a few years back and she had that same positive energy she's always had since we were young. I'm going to miss that warm smile and inviting energy of hers. Rest well my friend I wish I had more moments with you and created more memories. Praying for the family.. God bless you all and comfort you on this difficult time.

To Marsha's family, she was one of a kind especially her laugh! I thank God for allowing us to become friends it was a pleasure to know her. Marsha was a loving giving woman of God she open her home up to me eating her dalicious meal and enjoying her talks, and laughter. I miss her already. Marsha loved her family and her grandsons immensely! I can say this for sure her death wasn't in vain, she died in the Lord! Praying for you all!"❤️
